Basic Health Information

Allergies (list all allergies plus reaction and treatment):

Medications (list all): _____

Other health related information we should know: _____

I understand that camp activities have inherent risks. My child (or ward) has permission to participate in the camp activities for which he/she is enrolled. I will assure that my child is properly prepared for all activities including having proper clothes and equipment, being in good health and willing and able to participate in camp activities and willing to abide by camp policies and follow directions of camp personnel. I understand that reasonable measures will be taken to safeguard the health and safety of all participants and that I will be notified as soon as possible in case of any emergency affecting my child. In the event I cannot be reached in an emergency, I hereby authorize the alternate contact people to act on my behalf and authorize calling a physician to provide whatever emergency medical or surgical treatment is necessary. I further authorize the 2G1D Junior Program to provide routine, non-emergency medical care and transportation of said care, and I understand that the camp will contact me about any unusual injuries or illnesses. I accept responsibility for the cost of such medical treatments. In the event that my child is photographed, filmed or recorded while at the 2014 2G1D Junior Cycling Camp, the 2G1D Junior Program may use the photo for publicity, promotional or instructional purposes. I have read and understand the registration procedures and the details pertaining to the program my child is attending.
